QPR v BOURNEMOUTH – TICKET PRICING EXPLAINED

Tickets go on sale on Monday 12th June

THE club announced recently details of QPR's pre-season friendly fixture against Bournemouth on Saturday 29th July (3.00pm kick-off) – a day that will also see the R's family commemorate Stan Bowles' contribution to QPR.

Tickets for the fixture, which will go on sale from 10.00am on Monday (June 12th), will be priced £12 adults / seniors and £6 under-18's,

Supporters should also note there will be no £3.50 administration fee charged for this fixture.

A minimum amount of £15,000 (this net figure is based on historical pre-season fixtures once associated matchday costs have been deducted) from ticket sales will go towards The QPR No.10 Foundation – a newly launched charitable fund managed by QPR in the Community Trust to assist ex-players, staff and their dependents of which Stan, who is suffering with Alzheimer's, will be the first of many recipients.

The club would hope that due to the occasion the attendance will be considerably higher than previous pre-season fixtures played at Loftus Road, which would allow the club to make an additional donation to the newly-formed Foundation. This figure would be made public following our game against Bournemouth on Saturday 29th July once a final reconciliation has been undertaken.

Supporters who purchase tickets will also have the option of clicking on a link to the QPR in the Community Trust Virgin Money Giving page, giving them the option to make their own discretionary contribution to The QPR No.10 Foundation.

The Just For Stan Committee, who are working alongside the club on this fixture, told www.qpr.co.uk: “We've been overwhelmed with the reaction to this fixture since the announcement was made last week.

“Once supporters have purchased their tickets, they will have the option to make their own discretionary contribution to the fund via the QPR in the Community Trust Virgin Money Giving page to show their support. Discretionary donations by UK taxpayers would be eligible for Gift Aid, increasing the value of the gift by 25%.

“We urge all fans of football to purchase tickets and donate to this great cause to help us fund Stan's ongoing care.”
